

Suggested opinion:

~~An intact D+X~~
~~This procedure~~, however, may ~~not~~ be the best or most appropriate procedure in a particular circumstance to save the life or preserve the health of a woman, and ^a ~~the~~ doctor should be allowed to make this determination.

A doctor, however, ^{must be able} should be allowed to determine whether ^{an intact D+X} ~~this procedure~~ is the best or most appropriate procedure in a particular circumstance to save the life or preserve the health of a woman.
