Market Analysis Summary

The four main target groups of Michael's Floor Covering, Inc. are:

- * Charge / cash accounts of products only
- * Retail walk-in new and remodel
- * Residential new construction account based
- * Commercial new and remodel

Michael's Floor Covering, Inc. projects an increased opportunity to expand product sales by offering rebate incentives to independent contractors for sending <u>their</u> clients to our showroom to select new products.

Retail sales can be maintained and expanded by offering better products than our competitors at a competitive price.

While *Michael's Floor Covering, Inc.* expects a slow increase in residential new construction, a decline in commercial needs is expected.

	2010	2010	2011
	Jan-June	July-Dec	Jan-June
Product charges	5%	10%	15%
Retail	15%	20%	20%
Residential	40%	40%	35%
Commercial	40%	30%	30%

Strategy

Michael's Floor Covering, Inc. has several directions of strategies to maintain and expend volume of sales in the four target groups.

- * Maintain valued relationships
- * Keeping costs low
- * Increase visibility

Maintain Valued Relationships

Michael's Floor Covering, Inc. has personal and business relationships with many of the trade partners. These relationships are vital to continued success. Top priorities of high service, honesty, product, knowledge, competitive prices and quality installation must be maintained.

Keeping Costs Low

Michael's Floor Covering, Inc. has leased a building with combined showroom, office and warehouse space. This highly visible corner is located on a busy intersection. This space served a reputable former floor covering business for many years. Although an updated remodel is planned for the showroom, the remaining portion of the space is ideal and should help reduce immediate start up costs. A small select group of four motivated and experienced employees will reduce large salary costs.

Increased Visibility

In addition to the business signs at the lease space, *Michael's Floor Covering, Inc.* will have advertisement extended to logos on work vehicles, yellow pages and internet web sites.

Management Summary

The company consists of management, clerical, sales and front counter staff. Between months two and six, an additional two to three part-time employees will be added including warehouse, additional clerical and bookkeeping.

Financial Plan

Michael's Floor Covering, Inc. is projecting to be cash flow stable around the fourth to sixth month. An additional \$100,000 to \$200,000 is expected to be personally injected into the company during this time from personal assets. An equitable interest and payment plan cash disbursement payback period is planned around the same break-even time line.
