

# Frequency in the Majority

(Through February 19, 2008)

The charts below measure how frequently each Justice has voted with the majority in cases decided on the merits thus far. It does not include opinions where the vote was not disclosed (*Board of Ed. of City School Dist. of New York v. Tom F.*) or where the case was dismissed as moot (*Arave v. Hoffman*).

The first chart examines the results for all cases, the second only for divided cases. In each, we list the number of times each Justice has voted with the majority, the number of times each Justice has voted overall, the frequency with which each Justice has voted with the majority in OT07, and the corresponding figure for OT06.
