Re: *Munaf v. Geren*, No. 06-1666  
*Geren v. Omar*, No. 07-394

Dear Mr. Suter:

On instructions from Ms. Denise McNerney, I am writing to inform the Court that, after the Habeas Petitioners had sent their brief to the printer, the Iraqi Court of Cassation released its decision vacating Mr. Munaf's conviction and sentence and returning his case to the investigative court.

I have attached the original decision, a translation, and a certification of the translation's authenticity, copies of which have been provided to the Solicitor General. I would ask that this material be distributed to the Court.

Sincerely,

/s  
Joseph Margulies  
Counsel of Record
