Frequency in the Majority

The charts below measure how frequently each Justice has voted with the majority in October Term 2009 cases decided on the merits thus far. They do not include dismissed cases (*Pottawattamie County v. McGhee*, *Health Care Service Corp. v. Pollitt*, *Sullivan v. Florida*, *Robertson v. United States ex rel. Watson*); *Briscoe v. Virginia*, which was vacated after oral argument in a one-sentence opinion; or *Citizens United v. Federal Election Commission*, which we classify as an October Term 2008 case. They do include twelve *per curiam* opinions: ten summary dispositions (*Corcoran*, *Bobby*, *Wong*, *Porter*, *Fisher*, *Presley*, *Wellons*, *Thaler*, *Wilkins*, and *Jefferson*); the reversal before oral argument in *McDaniel v. Brown*; and *Kiyemba v. Obama*, which was vacated before oral argument, with an opinion.

The first chart lists majority votes in all cases, the second only in divided cases with at least one dissenting vote.

Consolidated cases are counted together. Percentages are out of decided cases only; percentages of total cases exclude original cases from the count.

*These totals exclude *Pottawattamie County v. McGhee* (8th Circuit), *Health Care Service Corp. v. Pollitt* (7th Circuit), *Sullivan v. Florida* (state court), and *Robertson v. United States ex rel. Watson* (D.C. Circuit), which were dismissed; *Briscoe v. Virginia* (state court), which was vacated shortly after oral argument; and *Citizens United v. Federal Election Commission* (D.C. Circuit), which is an OT08 case.

Grants Per Conference

The chart below represents the gradual filling of the docket for each of the last five Terms, broken down by the number of cases granted after each conference. The two “steady” lines represent the grants the Court would need at a given conference, if on a steady pace, to docket the number of cases in parentheses by the end of the Term.

†The one grant depicted for OT10 at the first February conference was granted at the last conference in January 2010. There were no new grants that day.
