

Grants Per Conference

The chart below represents the gradual filling of the docket for each of the last five Terms, broken down by the number of cases granted after each conference. The two “steady” lines represent the grants the Court would need to have granted by a given conference, if on a steady pace, to docket the number of cases in parentheses by the end of the Term. As of June 21, the Court has granted 31* cases for October Term 2010.

*For this Term, the jurisdictional statement *Schwarzenegger v. Plata* (09-1233), which the Court agreed to hear after the second June conference, is counted above even though it was not a petition for certiorari. † For the OT07 and OT08 lines above, “June #1” denotes cases granted after final May conferences, because OT06 and OT07 (the Terms during which those grants were announced) had four conferences in May and only three in June.
