Re: Timothy Tyrone Foster
v. Bruce Chatman, Warden
No. 14-8349

Dear Counsel:

Counsel should expect questions at oral argument on whether certiorari in this case should be directed to the Supreme Court of Georgia or the Superior Court of Butts County, Georgia, and what significance, if any, that determination may have on the Court's resolution of the case. Given the short notice, however, the Court may also request supplemental briefing after argument on this question.

Sincerely,

Scott S. Harris
Clerk of the Court
